# LTL CONSOLIDATION GODDERECT GODDERECT CONSOLIDATION CONSOLIDA

# **VENDOR POOL PROGRAM**

**OPTIMIZE** your service and delivery, avoid chargebacks, and reduce your cost of shipping LTL shipments to all 26 dry Target Distribution Centers.

Fusion Transport offers a vendor pool consolidation program, as an approved consolidator, including electronic order management, shipment planning and control, dedicated delivery schedules, and advanced technology tools for real time reporting and metrics.

**How IT Works** Target pre-paid vendors have several options for inclusion in the vendor pool program from our Piscataway, NJ; Romeoville, IL; Grand Prairie, TX; and our Rancho Cucamonga, CA warehouses.

- + Warehouse your product at our AIB certified, food grade facilities
- + Ship your Target orders to our facilities in time to meet dedicated shipping schedules
- + We will arrange to pick-up your shipments at your facilities anywhere in the USA

#### Fusion Transport will then streamline the process by:

- + Handling all documentation and electronic order management
- + Combining your shipments with those of other Target vendors to create more efficient consolidated deliveries
- + Ship on a dedicated daily schedule to meet the Target Required Delivery Date (RDD)

## **BENEFITS** of the Vendor Pool Program

- + Improve ON-TIME-IN-FULL (OTIF) compliance Guarenteed
- + Live unload for greater accountability
- + Improve order integrity and reduce delivery expectations including loss and damage claims
- + Reduce transportation costs and lead times
- + Improve inventory managment and order planning dedicated shipping schedules
- + Gain improved visibility and reporting through Fusion Transport's industry leading technology

## **ABOUT** Fusion Transport

Fusion Transport is a full service freight logistics provider offering truckload and LTL freight services, warehousing, consolidation, and supply chain consulting and network design. We combine asset and non-asset based resources, supported by industry leading technology, to provide customized supply chain solutions that yield greater efficiency and lower cost.
