- **CASESTACK [HUB GROUP] does not own or operate any of it's assets.**  
It acts as a broker, not a freight forwarder, and relies on 3rd party WMS and TMS systems.
- **PRIME DISTRIBUTION [CH ROBINSON] has no Northeast presence**
- **RJW only has a consolidation center in Chicago.**
- **Other 3 competitors are warehousing companies first. We are transportation company first.**
- **FUSION bills on what is actually tendered to us not directly from GRS report like competitors, so customer remains in full control.**
- **FUSION offers Load Proof [pics of freight] technology, Live Unloads, and weekly PO Maintenance forms [for retail-driven appointment pushouts] ,unlike the competition, to further mitigate compliance chargebacks and reconciliations.**
